

# A whole camping set for **25£** ??

Festival Republic and Everything's Possible are once again organising the salvage of good quality useable camping equipment left behind after this year's Leeds Festival.

Together we are offering registered charities, local voluntary groups and NGO's an opportunity to collect their own equipment from the Festival campsite on Tuesday 31st August. The equipment left includes sleeping bags and mats, tents, camping utensils, wellies etc. **If any of this may be useful for your group, all you need is a large vehicle, some willing volunteers and you can join us for a day of hard work, everything your group collects you can take away for free.** If you are interested call 0113 242 0888 and speak to Nele or Andrea or you can complete the application form overleaf and send a copy by fax to 0113 242 0999 or [volunteer@everythingispossible.eu](mailto:volunteer@everythingispossible.eu) – we will offer this opportunity to 20 groups this summer.

**If you only want a small amount of equipment** or don't have the chance to join us for the big clear up, we will also repeat last year's community exchange where volunteers recruited by Festival Republic and Everything is Possible collect the equipment and **for a small donation local community groups can collect single items or a full car load of camping gear:**

- A full car load of camping gear (2 tents and as much other equipment you can fit) £25;
- Or individual items for small donations. The money will be used to cover costs of premises and staffing the redistribution days.

**If your group or organisation is interested in the camping equipment please call us or check our website nearer to the dates.** We plan to use the same venue as last year but times and dates need confirming. Please note: due to demand last year there was almost no equipment left on the final day of distribution, call 0113 242 0888 or check [www.everythingispossible.eu](http://www.everythingispossible.eu) for daily updates to ensure that your group does not have to leave empty handed.

Sale dates and times to be confirmed, call Everything's Possible or Re-work (0113 272 1341) prior to coming. Planned dates and times:
